About

Our private parties are equal parts fun and educational, empowering guests with the knowledge to confidently order a bottle of sake at a restaurant or wine shop. The Koji Club is a safe space to celebrate, learn about and drink good sake.

Our Parties

Delight your guests with an event unlike any other. Gatherings at The Koji Club are equal parts fun and educational, offering a uniquely hospitable experience as well as leaving them with the knowledge of something new.

The Koji Club is a safe space to celebrate, learn about, and drink good sake.

Spaces

The Koji Club Bar

Everyone's a star.

Complementary karaoke with high-quality sound and two cordless microphones can be included with your event at no additional charge. We'll dim the lights, you sing your heart out.

Learn Something.

Delight your guests with a sake tasting led by The Koji Club's founder, Alyssa. Her encyclopedic knowledge and infectious enthusiasm will not only inform guests, but create an unforgettable tasting experience.

Take it home.

Once you've identified if you're team junmai, nigori, or daiginjo, take one (or more) bottles home to your own fridge. Alongside our on-premise menus, a wide variety of sakes are available for purchase. Sake makes a great gift!
